

IST Undergraduate Advising Form

Instructions

- * First and second year students must submit an advising form to their Academic Advisor to have their registration plan reviewed and get their advising hold lifted to allow for registration.
- * Students must indicate minimum of 5 first-choice classes (15 credits) for the upcoming semester as well as minimum of 3 backup choices.
- * Advisor will notify student via email if the advising form has been approved or denied.
- * Denied forms must be resubmitted. It will take 24 hours for the hold to be lifted.
- * Students must declare their concentration in the spring semester of Sophomore year.
